# Highlights

### Sonic technology
Powered by patented sonic technology, the specially designed battery toothbrush, with hard working HydroGuides, provides a brushing experience like no other battery toothbrush.

### HydroClean Brush Head

The HydroClean brush heads special HydroGuides work with patented sonic technology to direct fluids between teeth and along the gum line.

### Consistent brushing results
Many battery powered toothbrushes clean less effectively as their batteries discharge. Only HydroClean provides consistent performance over the entire life of the batteries, so that you can be confident that the each brushing is as good as the previous one.
